Statement of intent

The Avenue Primary School believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life. This policy is designed to promote a positive ethos of respectful behaviour in which children can work and play happily together.

Our core virtues of

- Show respect
- Honesty
- Independence
- Never give up
- Excellence

underpin all our work at The Avenue Primary School and are key to the implementation of this behaviour and relationships policy, amongst staff, children and parents.

(Appendix 1 – Our Values)

The school is committed to:

- Promoting desired behaviour.
- Promoting self-esteem, self-discipline, proper regard for authority, and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Praising and rewarding good behaviour as it happens.
- Challenging and disciplining misbehaviour.
- Providing a safe environment free from disruption, violence, discrimination, bullying and any form of harassment.
- Encouraging positive relationships with parents.
- Developing positive relationships with pupils to enable early intervention.
- A shared approach which involves pupils in the implementation of the school's policy and associated procedures.
- Promoting a culture of praise and encouragement in which all pupils can achieve.

Reasonable and proportionate sanctions will be used where a pupil's behaviour falls below the standard that is expected, alongside support to prevent recurring misbehaviour.

The school acknowledges that behaviour can sometimes be the result of educational needs, mental health issues, or other needs or vulnerabilities, and will address these needs via an individualised graduated response. As a school we deliver ELSA sessions to allow support children in their learning.

To help reduce the likelihood of behavioural issues related to social, emotional or mental health (SEMH), the school will aim to create a safe and calm environment in

which positive mental health and wellbeing are promoted and pupils are taught to be resilient. The school will aim to promote resilience as part of a whole-school approach using the following methods:

- **Culture, ethos and environment** – the health and wellbeing of pupils and staff is promoted through the informal curriculum, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** – the curriculum is used to develop pupils' knowledge about health and wellbeing
- **Community engagement** – the school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils' health and wellbeing

All staff will be made aware of how potentially traumatic adverse childhood experiences, including abuse and neglect, can impact on a pupil's mental health, behaviour, and education. Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health.

Appendix 3 – Rights and Responsibilities of Stakeholders

3. Definitions

For the purposes of this policy, the school will define "**serious unacceptable behaviour**" as any behaviour which may cause harm to oneself or others, damage the reputation of the school within the wider community, and/or any illegal behaviour. This will include, but is not limited to, the following:

- **Discrimination** – not giving equal respect to an individual on the basis of age, disability, gender identity, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation
- **Harassment** – behaviour towards others which is unwanted, offensive and affects the dignity of the individual or group of individuals
- **Vexatious behaviour** – deliberately acting in a manner so as to cause annoyance or irritation
- **Bullying** – a type of harassment which involves personal abuse or persistent actions which humiliate, intimidate, frighten or demean the individual being bullied
- **Cyberbullying** – the use of electronic communication to bully a person, typically by sending messages of an intimidating or threatening nature
- Possession of banned items – mobile phones in the classrooms
- Truancy and running away from school
- Refusing to comply with disciplinary sanctions
- Theft
- Verbal abuse, including swearing, racist remarks and threatening language
- Fighting and aggression
- Persistent disobedience or disruptive behaviour
- Extreme behaviour, such as violence and serious vandalism
- Any behaviour that threatens safety or presents a serious danger
- Any behaviour that seriously inhibits the learning of pupils
- Any behaviour that requires the immediate attention of a staff member

For the purposes of this policy, the school will define “**low-level unacceptable behaviour**” as any behaviour which may disrupt the education of the perpetrator and/or other pupils, including, but not limited to, the following:

- Low-level disruption and talking in class
- Damaging school property or equipment
- Failure to complete classwork
- Not following instructions and routines
- Rudeness
- Answering back

“Low-level unacceptable behaviour” may be escalated to “serious unacceptable behaviour”, depending on the severity of the behaviour.

4. Staff induction, development and support

All new staff will be inducted clearly into the school's behaviour culture to ensure they understand its rules and routines and how best to support all pupils to participate in creating the culture of the school. Staff will be provided with bespoke training, where necessary, on the needs of pupils at the school to enable behaviour to be managed consistently.

The SLT will consider any appropriate training which is required for staff to meet their duties and functions in accordance with this policy, including on understanding matters which may affect a pupil's behaviour, e.g. SEND and mental health needs.

Members of staff who have, or are aspiring to have, responsibilities for leading behaviour or supporting pupil wellbeing will be supported to undertake any relevant training or qualifications.

The SLT and the head teacher will review staff training needs annually, and in response to any serious or persistent behaviour issues disrupting the running of the school.

5. Managing behaviour

Instances of unacceptable behaviour will be taken seriously and dealt with immediately. Staff will respond promptly, predictably and with confidence to maintain a calm, safe learning environment. Staff will consider afterwards how to prevent such behaviour from recurring.

Class teachers and support staff will report significant incidents internally on CPOMs and communicate these with parents as soon as is practicable. Members of SLT & the pastoral lead will be alerted.

The pastoral lead will keep a record of all reported incidents to help identify pupils whose behaviour may indicate potential mental health or safeguarding problems. All

staff will be alert to changes in a pupil's behaviour that could indicate they need help or protection.

Support, such as targeted discussions with pupils, a phone call with parents/carers, and inquiries into circumstances outside of school by the Deputy Head/Pastoral Lead, will be provided alongside the use of sanctions to prevent the misbehaviour recurring. After an initial incident of negative behaviour, the following sanctions will be considered, with staff using their professional judgement and experience to determine what is appropriate and reasonable:

- Issuing a verbal reprimand and reminder of the expected behaviour
- Move to another room to remove the child from the situation, continuing with their work
- Reflection time (length of time detailed below)
 - first instance in class
 - repeated instance with key stage lead
 - sitting and reflect
 - completing a written reflection in KS2
- Removal of social time and/or privileges
- School-based community service, e.g. tidying the classroom, litter picking etc.
- Isolation
- Time spent at another primary school in the trust

Where a pupil's misbehaviour is causing significant disruption or is deemed serious enough by a staff member, the following procedures will be followed:

- The pupil is sent to the head teacher immediately or, in the head teacher's absence, the most senior member of staff or pastoral lead.
- The pastoral lead investigates the incident and decides whether it constitutes unacceptable behaviour.
- If the pastoral lead deems the incident to be unacceptable behaviour, they will record the incident on CPOMs.
- Where deemed necessary, e.g. after other behavioural strategies in the classroom have been attempted or the behaviour is so extreme as to warrant immediate removal, the pupil will be removed from the classroom – the pastoral lead will determine the length of time the pupil will be removed from the classroom, as well as any further time out of class.
- The pastoral lead will inform the pupil's parents on the same day, where possible, following a decision to remove their child from the classroom, and invite them to discuss the incident.
- If the circumstances are deemed to be serious enough, a letter will be sent home, by the key stage or pastoral lead, to parents to detail the incident and consequences.

Following repeated incidents of unacceptable behaviour, the following sanctions will be implemented:

- The key stage lead and pastoral lead will meet with parents to create a behaviour support plan.
- The head teacher will consider whether the pupil should be suspended, in line with the school's Suspension and Exclusion Policy, and will determine the length of the suspension.
- Although unacceptable behaviour does not necessarily mean a pupil has SEND, an assessment will be carried out at this stage to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour.
- Where a pupil is identified as having SEMH-related difficulties, SEND support will be put in place from the school's notional SEND budget.
- Where SEND is not identified, but the head teacher determines that support is still required for the pupil, an Individual Behaviour Plan will be created to outline the necessary provisions in place.

The head teacher will consider whether a permanent exclusion is necessary, in line with the school's Suspension and Exclusion Policy, alongside alternative options such as a managed move or off-site direction.

For discipline to be lawful, the school will ensure that:

- The decision to discipline a pupil is made by a paid member of school staff, or a member of staff authorised to do so by the head teacher.
- The decision to discipline a pupil is made on the school premises or whilst the pupil is under the charge of a member of staff, such as during an educational trip or visit.
- The decision to discipline a pupil is reasonable and will not discriminate on any grounds, e.g. equality, SEND or human rights.

The school will ensure that all discipline is reasonable in all circumstances, and will consider the pupil's age, religious requirements, SEMH needs, any SEND, and any other contributing factors, e.g. bullying, safeguarding or home life issues.

6. Prevention strategies, intervention, and sanctions for unacceptable behaviour

This section outlines the school's strategies for preventing unacceptable behaviour and initial interventions, minimising the severity of incidents, and using sanctions and support effectively and appropriately to improve pupils' behaviour in the future.

Initial interventions

A range of initial intervention strategies to help pupils manage their behaviour and reduce the likelihood of more severe sanctions will be used. Support will consider the pupil's specific needs and may be delivered outside of the classroom, in small groups or in one-to-one activities. A system will be in place to ensure relevant members of the SLT and pastoral staff are aware of any pupil that is:

- Persistently misbehaving
- Not improving their behaviour following low-level sanctions
- Displaying a sudden change in behaviour from previous patterns of behaviour

Examples of initial interventions to address misbehaviour will include, but are not limited to, the following:

- Frequently engaging with parents, including home visits where necessary
- Short-term daily behaviour success chart
- Long-term behaviour support plans
- Engagement with local partners and agencies
- Where the pupil has SEND, an assessment of whether appropriate provision is in place to support the pupil, and if the pupil has an EHC plan, contact with the LA to consider a review of the plan

A multi-agency assessment, such as an early help assessment, which goes beyond a pupil's education will be considered where serious concerns about a pupil's behaviour exist.

Behaviour curriculum

Positive behaviour will be taught to all pupils as part of the behaviour curriculum, in order to enable them to understand what behaviour is expected and encouraged and what is unacceptable. Positive reinforcement will be used by staff where expectations are met to acknowledge good behaviour and encourage repetition. The behaviour curriculum will focus on defining positive behaviour and making it clear what this looks like, including the key habits and routines required by the school, e.g. lining up quietly outside before entering the classroom, walking around school without talking etc.

Routine will be used to teach and reinforce the expected behaviours of all pupils. Appropriate and reasonable adjustments to routines for pupils with additional needs, e.g. SEND, will be made. Consistent and clear language will be used when acknowledging positive behaviour and addressing misbehaviour.

Positive teacher-pupil relationships

Positive teacher-pupil relationships are key to combatting unacceptable behaviour. The school will focus heavily on forming positive relationships based on predictability, fairness and trust to allow teachers to understand their pupils and create a strong foundation from which behavioural change can take place. Staff are expected to model the behaviours and insist on these with the children across school.

Preventative measures for pupils with SEND

Behaviour will always be considered in relation to a pupil's SEND. If it is deemed that a pupil's SEND has contributed to their misbehaviour, the school will consider whether it is appropriate and lawful to sanction the pupil.

Where a pupil is identified as having SEND, the graduate approach will be used to assess, plan, deliver and review the impact of support being provided. However, a lack of respect towards adults will not be tolerated.

The school will aim to anticipate likely triggers of misbehaviour and put in place support to prevent these, considering the specific circumstances and requirements of the pupil concerned. Measures the school will implement where appropriate include, but are not limited to, the following:

- Short, planned movement breaks for a pupil whose SEND means they find it difficult to sit still for long
- Ensuring a pupil with visual or hearing impairment is seated in sight of the teacher
- Adjusting uniform requirements for a pupil with sensory issues or relevant medical condition
- Training for staff in understanding autism and other conditions

De-escalation strategies

Where negative behaviour is present, staff members will implement de-escalation strategies to diffuse the situation. This will include:

- Appearing calm and using a modulated, low tone of voice
- Using simple, direct language.
- Avoiding being defensive, e.g. if comments or insults are directed at the staff member.
- Providing adequate personal space and not blocking a pupil's escape route.
- Showing open, accepting body language, e.g. not standing with their arms crossed.
- Reassuring the pupil and creating an outcome goal.
- Identifying any points of agreement to build a rapport.
- Offering the pupil a face-saving route out of confrontation e.g. that if they stop the behaviour, then the consequences will be lessened.
- Rephrasing requests made up of negative words with positive phrases, e.g. "if you don't return to your seat, I won't help you with your work" becomes "if you return to your seat, I can help you with your work" "stop running" becomes "cool walking".

7. Stepped Sanctions

Consequences need to be immediate, short and appropriate for the behaviour and only aimed at the behaviour not the child. This section outlines the steps a member of staff should take to deal with disruptive behaviour in school. It includes micro-scripts for each step to ensure consistency in language and predictability for pupils which, in turn, results in all children being treated fairly.

Steps	Actions
--------------	----------------

<p>Redirection and Reminder</p>	<p>Gentle encouragement, a 'nudge' in the right direction. A reminder of class charter delivered privately wherever possible. Repeat reminders if necessary once more. De-escalate where reasonable and possible and take the initiative to keep things at this stage. Praise will be given if the child is able to model good behaviour as a result of the reminder.</p>
<p>Verbal Reminder /Caution</p>	<p>A clear verbal warning delivered privately wherever possible, making the child aware of their behaviour and clearly outlining the consequences if they continue. The child has a choice to do the right thing. The child will be reminded of their good previous good conduct to prove that they can make good choices. "Stop, think, make the right choice," "think carefully about your next step."</p>
<p>Last Chance (restorative conversation /reflection time)</p>	<p>Speak to the child privately and give them a final opportunity to engage. Use the 30 second scripted intervention</p> <ul style="list-style-type: none"> • I have noticed that you are... (having trouble getting started, wandering around etc.) right now. • At The Avenue, we... (refer to the virtues – SHINE) • Because of that you need to... (refer to action to support behaviour e.g. moving to another table, complete learning at another time) • See me for 5 minutes after class/during break • Do you remember yesterday/last week when you... (refer to previous Positive behaviour)? • That is who I need to see today... • Thank you for listening... then give the child some 'take up' time. • If the warning is not heeded and the behaviour continues this must be recorded on CPOMS. • At this point the child will be informed that they will have to miss allocated minutes from the next break/lunch time in reflection time. Children will be expected to have a reflective dialogue/complete reflection form. <p>The reflection time is dependent on the stage or ability of the child. A rough guide is as follows:</p> <ul style="list-style-type: none"> • Reception = 1 minute • Year 1 = 2 minutes • Year 2 = 3 minutes • Year 3 = 4 minutes • Year 4 = 5 minutes

	<ul style="list-style-type: none"> • Year 5 = 6 minutes • Year 6 = 7 minutes
Cool Off	Cool Off might be a short time away from the classroom with another class/TA/calm space. It is time allowed to calm down, breathe, look at the situation from a different perspective and compose themselves.
Repair Restorative Conversation	<p>Chose 5 questions from the following:</p> <ul style="list-style-type: none"> • What happened? • What were you thinking at the time? • What have you thought since? • How did this make people feel? • Who has been affected? • How have they been affected? • What should we do to put things right? • How can we do things differently in the future?
<p>Consequences</p> <p>Communication with parent /carer</p> <p>A formal meeting with SLT and parents/carers.</p> <p>Weekly behaviour meetings</p> <p>Suspension</p>	<p>If a child has two incidents in a week requiring reflection the class teacher must inform parents. This will be recorded on CPOMS.</p> <p>If a child has three or more incidents in a week (or regular incidents) requiring reflection a meeting with the key stage leader and parents/carers will be arranged. This will be recorded on CPOMS.</p> <p>Children who regularly receive more than 3 reflections in a week will have weekly monitoring meetings (during lunchtime) to discuss their behaviour with the pastoral lead.</p> <p>A serious breach may lead to a fixed-term suspension.</p>

(Appendix 5 - A model of positivity – Effective 30 Second Interventions)

Repeated Behaviour (3+ incidents in a week)

Week 1 – Class teacher and Phase Lead will meet with parents.

Week 2 – Phase Lead will meet with parents and a behaviour plan will be discussed at this point

Week 3 – Regular instances of 3+ reflections will result in weekly meetings with the Pastoral Lead/Deputy Head/Head of School

The weeks do not need to consecutive.

Physical intervention

In line with the school's Physical Intervention Policy, trained members of staff will have the legal right to use reasonable force to prevent pupils from committing an offence, injuring themselves or others, or damaging school property, and to maintain good order and discipline in the school.

Physical restraint will only be used as a last resort and as a method of restraint. Staff members will use their professional judgement of the incident to decide whether physical intervention is necessary. The situations in which physical restraint may be appropriate are detailed in the Physical Intervention Policy. Wherever possible, staff will ensure that a second member of staff is present to witness the physical intervention used.

After an instance of physical intervention, the pupil will be immediately taken to the head teacher, and the pupil's parent will be contacted. Where appropriate, the head teacher may decide to temporarily remove the pupil from the school via a suspension, in line with the DfE's guidance on 'Suspension and Permanent Exclusion'. Where suspension is carried out, the pupil's parent will be asked to collect the pupil and take them home for the rest of the day – pupils will not be sent home without the school contacting their parent. A reintegration meeting will be held on the child's return with the pastoral lead or head teacher.

Any violent or threatening behaviour will not be tolerated by the school and may result in a fixed-term suspension in the first instance. It is at the discretion of the head teacher as to what behaviour constitutes a suspension, in line with the Suspension and Exclusion Policy.

When using reasonable force in response to risks presented by incidents involving pupils with SEND or medical conditions, staff will recognise and consider the vulnerability of these groups.

Removal from the classroom

The school may decide to remove pupils from the classroom for a limited period, at the instruction of a member of staff.

The pupil will be moved to a room that is:

- In an appropriate area of the school
- Stocked with appropriate resources
- Suitable to learn and refocus
- Supervised by trained members of staff

The school will only remove pupils from the classroom where absolutely necessary and for the following reasons:

- To maintain the safety of all pupils and restore stability following an unreasonably high level of disruption

- To enable disruptive pupils to be taken to a place where education can continue in a managed environment
- To allow the pupil to regain calm in a safe space

The school will ensure that pupils' health and safety is not compromised during their time away from the classroom, and that any additional requirements, such as SEND needs, are met.

The amount of time that a pupil spends removed from the classroom will be up to the school to decide. This could be for more than one school day. The school will ensure that the pupil is not removed from the classroom any longer than necessary.

The staff member in charge and supervising the pupil will decide what the pupil may and may not do during their time spent removed from the classroom. The head teacher will request that the pupil's class teachers set them appropriate work to complete.

The head teacher will establish a clear process for the reintegration of a pupil who has been removed from the classroom when it is deemed appropriate and safe for them to return. Consideration will be given to what support is needed to help the pupil return and meet the expected standards of behaviour. Reintegration meetings will be held between the school, pupil and their parents, and other agencies if relevant, where necessary.

Pupils will be permitted to eat during the allocated times of the school day and may use the toilet as required.

Restorative Practice

The Avenue Primary School uses Restorative Practice to promote good behaviour and resolve unacceptable behaviour in a fair and consistent way. The restorative questions are displayed in every class room. Any form of humiliation or sarcasm is not acceptable. Every effort will be made to maintain safety and retain all children's access to learning. Efforts will be made to establish the truth of a situation and a 'cooling down' period may be advisable. However, issues must be addressed appropriately and promptly. Decisions regarding consequences must be considered, reasonable and not made on impulse. Where classroom behaviour is disruptive, teachers will apply the procedures from the steps detailed above.

(Appendix 6 – Restorative Practice approach at The Avenue Primary School)

8. Sexual abuse and harassment

The school will prohibit all forms of sexual abuse and harassment, including sexual harassment, gender-based bullying and sexual violence. The school's procedures for handling child-on-child sexual abuse and harassment are detailed in the Child-on-child Abuse Policy.

The school will respond promptly and appropriately to any sexual harassment complaints in line with the Child Protection and Safeguarding Policy; appropriate steps will be taken to stop the harassment and prevent any reoccurrence. Discipline for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previous related incidents.

9. Prohibited items, searching pupils and confiscation

Head teachers and staff authorised by them will have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. Authorised members of staff will be permitted to use reasonable force when conducting a search without consent for the prohibited items listed below, in line with the school's Physical Intervention Policy. The prohibited items where reasonable force may be used are:

- Knives and weapons.
- Stolen items.
- Pornographic images.
- Any article that the member of staff reasonably suspects has been, or is likely to be, used:
 - To commit an offence; or
 - To cause personal injury to any person, including the pupil themselves; or
 - To damage the property of any person, including the pupil themselves.

The school will also identify the following as prohibited items which may be searched for by authorised staff without consent if necessary; however, reasonable force will not be used under any circumstances:

- E-cigarettes and vapes
- Lighters
- Aerosols
- Energy drinks

All members of staff can use their power to search without consent for any of the items listed above. The Avenue Primary School follows the DfE guidance [Searching, Screening and Confiscation: Advice for Schools](#).

10. Effective classroom management

Well-managed classrooms are paramount to preventing disruptive and unacceptable behaviour. Effective classroom management will allow staff to:

- Start the year with clear sets of rules and routines that are understood by all pupils – class charter is agreed and signed by all on first day.
- Establish agreed rewards and positive reinforcements.
- Establish sanctions for misbehaviour.

- Establish clear responses for handling behavioural problems.
- Encourage respect and development of positive relationships.
- Make effective use of the physical space available.
- Have well-planned lessons with a range of activities to keep pupils stimulated.

Subject to reasonable adjustments, e.g. those made for pupils whose SEND may affect their behaviour, pupils will be expected to follow the school expectations, which requires pupils to:

- Conduct themselves in and around the school in a safe, sensible and respectful manner.
- Arrive to school on time and fully prepared.
- Follow instructions given by all staff.
- Behave in a respectful and polite manner towards all staff and pupils.
- Show respect for the opinions and beliefs of others.
- Complete classwork as requested.
- Report unacceptable behaviour.
- Show respect for the school environment.

(Appendix 4 - A model of positivity - tweaking teaching to transform trouble)

Classroom rules and routines

The school will have an established set of clear, comprehensive and enforceable classroom rules which define what acceptable behaviour is and what the consequences are if rules are not adhered to. Attention is given to how rules are worded, such as the use of positive language rather than negative, e.g. “act respectfully towards your peers and teachers”, rather than “do not act disrespectfully towards your peers and teachers”.

The school will also have an established set of classroom routines to help pupils work well, in the understanding that behavioural problems can arise due to the lack of a consistent routine. This includes teachers ensuring that before lessons begin, they have the full attention of all pupils, then explaining the task clearly so all pupils understand what they are supposed to be doing.

The head teacher will ensure all teachers understand classroom rules and routines and how to enforce them, including any sanctions for not following the rules.

Teachers will support pupils to understand and follow classroom rules and routines. Teachers will inform pupils of classroom rules and routines at the beginning of the academic year and revisit these daily. Where appropriate, teachers will explain the rationale behind the rules and routines to help pupils understand why they are needed, and will model rules and routines to ensure pupils understand them. Teachers

will also explain clearly to pupils what will happen if they breach any classroom rules to ensure pupils are aware of the sanctions that may be imposed.

To support pupils' continued awareness and understanding of classroom rules and routines, teachers will reinforce them in a range of ways, e.g. placing posters of the rules on classroom walls and providing regular verbal reminders of the routines. Teachers will also ensure that classroom rules and routines remain consistent and are practised throughout the year to create a more productive and enjoyable environment.

At the beginning of the school year, once the classroom rules have been devised, pupils will be provided with a classroom rules agreement which they are required to read and sign. All rules outlined in the classroom rules agreement are applicable to pupils' behaviour elsewhere on the school premises and outside of the school – teachers will ensure that pupils understand this.

For younger pupils, parents will read the classroom rules agreement with their child and sign it on their behalf.

The classroom environment

The school understands that a well-structured classroom environment is paramount to preventing poor behaviour. This includes the teacher positioning themselves effectively within the classroom, e.g. wherever possible, teachers avoid standing with their backs to pupils and ensure they have full view of the room at all times.

Teachers will employ strategic seating arrangements to prevent poor behaviour and enable it to be noticed early, such as:

- Seating those who frequently model poor behaviour closest to, and facing, the teacher.
- Seating those who frequently model poor behaviour away from each other.
- Ensuring the teacher can see pupils' faces, that pupils can see one another, and that they can see the board.
- Ensuring the teacher can move around the room so that behaviour can be monitored effectively.

Praise and rewards

The school will recognise that praise is key to making pupils feel valued and ensuring that their work and efforts are celebrated. When giving praise, teachers will ensure:

- They define the behaviour that is being rewarded.
- The praise is given immediately following the desired behaviour.
- The way in which the praise is given is varied.
- Praise is related to effort, rather than only to work produced.
- Perseverance and independence are encouraged.

- Praise is only given when a pupil's efforts, work or behaviour need to be recognised, rather than continuously without reason.
- The praise given is always sincere and is not followed with immediate criticism.

Whilst it is important to receive praise from teachers, the school understands that peer praise is also effective for creating a positive, fun and supportive environment. Teachers will encourage pupils to praise one another, and praise another pupil to the teacher, if they see them modelling good behaviour.

As with praise, the school understands that providing rewards after certain behaviour means that pupils are more likely to model the same behaviour again. For rewards to be effective, the school recognises that they need to be:

- **Immediate** – immediately rewarded following good behaviour.
- **Consistent** – consistently rewarded to maintain the behaviour.
- **Achievable** – keeping rewards achievable to maintain attention and motivation.
- **Fair** – making sure all pupils are fairly rewarded.

Rewards for good behaviour will include, but are not limited to:

- Verbal praise
- Stickers for positive behaviours, great behaviours for learning etc.
- Dojo points for positive behaviours and work
- Communicating praise to parents – a note home, dojo message/phone call, postcard home etc.
- Certificates and assemblies
- SHINE Champions

Celebrating Positive Behaviour – via Class Dojo

Depending on the age of the children, the dojo points (bespoke to a class) may differ and teacher.

Every term, children begin with 0 points and aim to achieve the Bronze, Silver and Gold Dojo certificates. To achieve the Bronze, Silver and Gold certificates, the children must earn 35, 70 and 100 points, respectively. When children reach each milestone, they will be able to visit the 'Dojo Shop' and redeem their points in exchange for prizes.

On a weekly basis as part of assemblies, children are presented with their certificates. Any child who achieves the Gold certificate at the end of each term will also receive a 'Gold' medal at the end of the year.

At the end of each week, the class with the most Class Dojo, collectively, will be awarded 15 minutes additional playtime.

11. Behaviour outside of school premises

Children at the school must agree to represent the school in a positive manner. This will apply both inside school and out in the wider community, particularly if the child is dressed in school uniform.

Staff can discipline children for misbehaviour outside of the school premises, including conduct online, when the child is:

- Wearing school uniform.
- Travelling to or from school.
- Taking part in any school-related activity.
- In any way identifiable as being a child at the school.

Staff may also discipline children for misbehaviour outside the school premises, including conduct online, that:

- Could negatively affect the reputation of the school.
- Could pose a threat to another child, a member of staff at the school, or a member of the public.
- Could have repercussions for the orderly running of the school.

Any bullying witnessed outside of the school premises and reported to the school will be dealt with in accordance with the Anti-bullying Policy.

The school will impose the same sanctions for bullying incidents and non-criminal misbehaviour witnessed or reported outside of the school premises as would be imposed for the same behaviour conducted on school premises. In all cases of unacceptable behaviour outside of the school premises, staff will only impose sanctions once the child has returned to the school premises or when under the supervision of a member of staff.

Complaints from members of the public about the behaviour of children from the school are taken very seriously and will be dealt with in accordance with the Complaints Procedures Policy.

12. Data collection and behaviour evaluation

The school will collect data from the following sources:

- Behaviour incident data, including on removal from the classroom
- Attendance, permanent exclusion and suspension data
- Use of managed moves
- Incidents of searching, screening and confiscation
- Anonymous surveys for staff, pupils, governors, and other stakeholders on their perceptions and experiences of the school behaviour culture.

The data will be monitored and objectively analysed termly by the head teacher and the SLT. Attempts will be made to identify possible factors contributing to the behaviour, any system problems or inadequacies with existing support. The data will

also be analysed considering the protected characteristics under the Equality Act 2010 to inform school policies and practice.

13. Monitoring and review

This policy will be reviewed by the head teacher and senior mental health lead on an annual basis; they will make any necessary changes and communicate these to all members of staff and relevant stakeholders.

This policy will be made available for Ofsted inspections and reviews by the lead inspector, upon request.

The next scheduled review date for this policy is July 2025.

Appendix 4 - A model of positivity - tweaking teaching to transform trouble

- Smile!
- Convince your class that there is no place that you would rather be.
- Find out what makes a learner feel important, valued, like they belong.
- Reward learners for going 'above and beyond' expectations, not simply meeting them.
- Let children lead learning, share responsibility, delegate jobs.
- Mark moments with sincere, private verbal praise.
- Send positive notes – approximately 2/3 per day.
- Show learners their ideas and experiences have real value.
- Catch learners doing the right thing, don't let sleeping dogs lie.
- Use subtle, private praise and reinforcement.
- Differentiate the way you celebrate achievement – not everyone wants to feel famous but everyone wants to feel important.
- Class displays and classroom environments that scream high expectations.
- Make learners feel important for the behaviours that they can show and not for the behaviours that they can't.
- Habits of adults who manage behaviour well:
 - They meet and greet.
 - They persistently catch individuals doing the right thing.
 - They teach the behaviours that they want to see.
 - They teach learners how they would like to be treated.
 - They reinforce conduct/attitudes that are appropriate to context.
 - They agree rules/routines/expectations with their class and consistently apply them with positive and negative consequences.
 - They sustain a passion for the curriculum that breaks through the limiting self-belief of some learners.
 - They relentlessly work to build mutual trust even when trust is broken, time is wasted and promises are not kept. They refuse to give up.
 - They keep their emotion for when it is most appreciated by the learners.

Appendix 5 - A model of positivity – Effective 30 Second Interventions

1. Gentle approach, personal, non-threatening, side on, eye level or lower.
2. State the behaviour that was observed and which rule/expectation/routine it contravenes.
3. Tell the learner what the sanction is. Immediately refer to previous good behaviour/learning as a model for the desired behaviour.
4. Walk away; allow him/her time to decide what to do next. If there are comments as you walk away, write them down and follow up later.
5. Look around the room with a view to catch somebody following the rules.

How to land a difficult message, softly:

- Remind the learner of their previous good behaviour.
- Challenge their negative internal monologue 'You can do this, you are intelligent and able.'
- Thank the child for listening.
- Position yourself lower than eye level or side on if you are standing; don't demand sustained eye contact.
- Use a soft, disappointed tone.
- Remind yourself that the sanction is a consequence not personal retribution.
- Walk away as soon you have finished speaking.

Refocusing the conversation

When learners try to argue, shift the blame, or divert the conversation you can either:

- Calmly and gently repeat the line you have been interrupted in. This encourages the learner to realise that you will not be diverted from the conversation you are leading. The more calmly assertive you are in delivering this repeat the more effective it will be. Try slowing down the request the second time you repeat it and using gentle eye contact to reinforce.

Or...

- Use an appropriate refocusing line to bring the conversation back to the script. This allows that student to feel as though they are being listened to and avoids conversational cul-de-sacs.

Learner	Adult
'It wasn't me.'	'I hear what you are saying...'
'But they were doing the same thing.'	'I understand...'
'I was only...'	'Maybe you were ... and yet ...'
'You are not being fair.'	'Yes sometimes I may appear unfair...'
'It's boring.'	'Be that as it may...'
'You are a ... (name calling).'	'I am sorry that you are having a bad day.'

Get out line

If the conversation is becoming unproductive, what line will you leave on?

Try: *"I am stopping this conversation now. I'm going to walk away and give you a chance to think about your behaviour. I know that when I come back, we can have a polite, productive conversation."*

Appendix 6 - Restorative Practice at The Avenue Primary School

Definition

The aim of restorative practices is to develop community and to manage conflict and tensions by repairing harm and building relationships.

1. Restorative Practices in Schools is about:

- building safer schools
- changing behaviour not punishing
- adults modelling restorative approaches
- finding ways to repair harm
- supporting staff, children and families to use RP to build community

2. Why use a restorative approach?

- Punishment doesn't meet needs of those who suffered
- May be kudos or 'street cred' attached to the punishment
- Offenders don't have to face full effects of actions
- Offender may feel isolated and it may be difficult for them to get back into school community, making rule-breaking more attractive
- If problem behaviour persists, child may be pushed down a road of exclusion and marginalisation. They may be removed from school, but remain a problem in the wider community

3. Restorative Questions

1. What has happened?
2. What were you feeling at the time?
3. Who has been affected by the actions?
4. How have they been affected?
5. What needs to be done to make things right?
6. How can we do things differently in the future?

Appendix 7 - Stepped Sanctions

Steps	Actions
Redirection /Reminder	<p>Gentle encouragement, a 'nudge' in the right direction. A reminder of class charter delivered privately wherever possible. Repeat reminders if necessary once more. De-escalate where reasonable and possible and take the initiative to keep things at this stage. Praise will be given if the child is able to model good behaviour as a result of the reminder.</p>
Caution	<p>A clear verbal warning delivered privately wherever possible, making the child aware of their behaviour and clearly outlining the consequences if they continue. The child has a choice to do the right thing. The child will be reminded of their good previous good conduct to prove that they can make good choices. "Stop, think, make the right choice," "think carefully about your next step."</p>
Last Chance (restorative conversation /reflection time)	<p>Speak to the child privately and give them a final opportunity to engage. Use the 30 second scripted intervention</p> <ul style="list-style-type: none"> • I have noticed that you are... (having trouble getting started, wandering around etc.) right now. • At The Avenue, we... (refer to the virtues – SHINE) • Because of that you need to... (refer to action to support behaviour e.g. moving to another table, complete learning at another time) • See me for 5 minutes after class/during break • Do you remember yesterday/last week when you... (refer to previous Positive behaviour)? • That is who I need to see today... • Thank you for listening... then give the child some 'take up' time. • If the warning is not heeded and the behaviour continues this must be recorded on CPOMS. • At this point the child will be informed that they will have to miss allocated minutes from the next break/lunch time in reflection time. Children will be expected to have a reflective dialogue/complete reflection form. <p>The reflection time is dependent on the stage or ability of the child. A rough guide is as follows:</p>

	<ul style="list-style-type: none"> • Reception = 1 minute • Year 1 = 2 minutes • Year 2 = 3 minutes • Year 3 = 4 minutes • Year 4 = 5 minutes • Year 5 = 6 minutes • Year 6 = 7 minutes
Cool Off	Cool Off might be a short time away from the classroom with another class/TA/calm space. It is time allowed to calm down, breathe, look at the situation from a different perspective and compose themselves.
Repair Restorative Conversation	<p>Chose 5 questions from the following:</p> <ul style="list-style-type: none"> • What happened? • What were you thinking at the time? • What have you thought since? • How did this make people feel? • Who has been affected? • How have they been affected? • What should we do to put things right? • How can we do things differently in the future?
<p>Consequences</p> <p>Communication with parent /carer</p> <p>A formal meeting with SLT and parents/carers.</p> <p>Weekly behaviour meetings</p> <p>Suspension</p>	<p>If a child has two incidents in a week requiring reflection the class teacher must inform parents. This will be recorded on CPOMS.</p> <p>If a child has three or more incidents in a week (or regular incidents) requiring reflection a meeting with the key stage leader and parents/carers will be arranged. This will be recorded on CPOMS.</p> <p>Children who regularly receive more than 3 reflections in a week will have weekly monitoring meetings (during lunchtime) to discuss their behaviour with the pastoral lead.</p> <p>A serious breach may lead to a fixed-term suspension.</p>

Appendix 12 – Policy on a Page

Behaviour Policy on a page

- 1) Issue a verbal reminder of expected behaviour.
- 2) Move to another room to complete work for remainder of lesson. Follow up conversation to take place.
- 3) If behaviour continues on the same day, a Reflection will be completed. Parents informed/ Logged on CPOMs.

Reflections (same day)

First reflection will be completed as directed by the class teacher and checked (any reflections not to a good enough standard must be redone).

Second reflection will be completed as directed by the Phase Leader

Immediate Reflection:

- They have hurt someone
- They have been disrespectful
- Inappropriate behaviour or language
 - Damaging property
 - Aggression

- 4) If behaviour continues the removal of social time/privileges can be considered (This can be considered at any point).
- 5) No improvement in behaviour will result in SLT or Pastoral Lead being rang for support.

Serious Misbehaviour

Behaviour causing serious concerns, significant disruption to learning or safety issues.

OR

All other strategies have not worked.

Call James, Emily or Lucy (In the instance where none are available call Phase Lead). An investigation will take place and consequences will be decided.

Repeated Behaviour (3+ incidents in a week)

Week 1 – Class teacher and Phase Leader will meet with parents.

Week 2 – Phase Leader will meet with parents and a behaviour plan will be discussed at this point

Week 3 – Regular instances of 3+ reflections will result in weekly meetings with the Pastoral Lead/Deputy/Head

The weeks do not need to be consecutive.

All incidents must be logged on CPOMs to create bigger picture.

All conversation with parents must be logged.

If ever in doubt, just ring or radio for support.
