

June Newsletter

2024

One month to go! What a fantastic month June has been in school and for our school community.

Congratulations!

I just wanted to share with you the news that Miss Bytheway will be going on maternity leave towards the beginning of the new academic year. We are beyond delighted for her and her partner and cannot wait to meet the new addition to her family when they arrive.

Reminders

Thank you so much for your responses to surveys and information gathering recently. We will share the outcomes of the parent/carer survey with you and our responses to the points raised. Please take the time to vote for the Parent governor as shared on School Coms. Remember when buying uniform for the new year, all children need wellies and a waterproof coat as part of our OPAL project. If anyone would like some pre-loved uniform, please come and see us in the office and we will see what we have.

Reminders!

Lost Property

We have mountains of lost property around school, so between Monday 1st until Wednesday 17th July, tables will be in the main office area with items available to look through. Anything left at the end of the 17th July will be bagged and sent to a charity shop.

Missing School Items

In school we have noticed a few things that are missing, such as school sports kits, reading books etc. If you have any of these at home, please send them in before the end of the term so we know what we need to organise. Thank you.

Fabulous Fire of London Performance

What a fantastic show our Y2 delivered! The long wait for their moment in the spotlight was well worth it. The confidence and conviction all children demonstrated was truly amazing to see. The show brought the children's learning to life and will ensure they remember it for a long time to come. Well done to all and a massive shout out to the Year 2 team for pulling this all together.

Festival on the Field

This year's festival was brilliant and that was down to the community all coming together. We were blown away by the sheer number of you who attended and brought along others to join in. Thank you for your support with the event, for your contributions to the collections all the way to getting into the spirit of the day. We are delighted to announce that we made a profit of £3719.84. We will keep you posted about what this money will be spent on.

OPAL Education

We are well on the way with our plans to deliver OPAL. There may be a couple of zones ready to launch before the summer holidays. We are still on the lookout for some large pipes that we can create tunnels with as well as items for dressing up such as blazers, handbags, hats etc.

Inflatable Fun Day

As you all know, we have been frustrated with the closures due to our school being a polling station, however we have charged the council for the 'hire' of the space. We are going to use this money to hire inflatables on **Monday 15th July**. Please send your child in their PE kit on this day. I know this will not make up for the lost learning time, but it will ensure we give all the children a memorable day before we break up.

Sports week is from Monday 8th until Friday 12th July. Make sure children are in their PE kit all week.

Thurs 4 th July – School Closed – Polling Day	Mon 8 th July – Nursery Sports Day – timings tbc	Tues 9 th July – Meet New Teacher session	Wed 10 th July – Sports Day – R & KS1 – 10am & KS2 1.30 – 2.30pm	Thurs 11 th July – Forest Schools – Y2 Y3 Theatre Visit	Fri 12 th July – Art Gallery in classrooms – 2.30 – 3.15pm
